

One flight down

transposé un demi-ton ↓

Paroles et musique de Jesse Harris (né en 1969)

The first system of musical notation consists of two staves. The upper staff is in treble clef and the lower staff is in bass clef. The music is in common time (C). The upper staff begins with a series of eighth and quarter notes, followed by a half note and a quarter note. The lower staff starts with a whole note, followed by quarter notes and eighth notes.

The second system of musical notation consists of two staves. The upper staff features a melodic line with eighth and quarter notes, including some beamed eighth notes. The lower staff provides a harmonic accompaniment with quarter and eighth notes.

The third system of musical notation consists of two staves. The upper staff continues the melodic line with quarter and eighth notes. The lower staff continues the accompaniment with quarter and eighth notes.

The fourth system of musical notation includes lyrics and chord symbols. A box containing the number '20' is positioned above the first measure of the upper staff. The lyrics are: "One flight down There's a song." The chord symbols are: "Do" (under the second measure), "Sol7/Si" (under the third measure), and "La7" (under the fourth measure). The musical notation continues with the vocal line and piano accompaniment.

One flight down
There's a song on low
And your mind just picked up on the sound
Now you know that you're wrong
Because it drifts like smoke
And it's been there playing all along
Now you know

The reeds and the brass have been weaving
Leading into a single note

In this place
Where you're arms unfold
Here at last you see your ancient face
Now you know

The cadence rolls in broken
Plays it over and then goes.

Un étage en-dessous
Passe une chanson à faible volume
Et ton esprit se branche sur le son
Maintenant tu sais que tu as tort
Parce qu'il dérive comme la fumée
Et il est là jouant partout
Maintenant tu le sais

Les anches et les cuivres se sont faufileés
Conduisant vers une unique note

En cet endroit
Où tu es bras ouverts
Ici enfin tu vois ton ancien visage.
Maintenant tu le sais

La cadence roule à contretemps
Joue un peu et s'en va.
